GSA MEETINGS

This month's meeting will be held on Tuesday, February 13th. It will be located in Waksman 1001, starting at 11:30 am.

We will be discussing future events. These include: the symposium, career panel, and the keynote speaker. Also, we will be giving out the password to the rotation survey database. Bring your nominations for next year's keynote speaker, we will be voting on it soon. As always, food will be provided.

REMINDERS

There is still time to sign up for attending the First Annual Graduate Student Symposium. We will only be ordering enough food for those that have registered. If you do not register, you will allowed to walk through, but will be denied food and goody bags. If you would like to attend, please visit the registration website at: http://www.eden.rutgers.edu/~jmbgsa/symposia/register.html.

The rotation survey is gaining a lot of feedback. To fill out a survey for one or more of your rotations, please visit http://www.eden.rutgers.edu/~jmbgsa/rotations_feedback.html. You must attend the monthly GSA meetings in order to receive the password to views the database results.

If you have any nominations for next year's keynote speaker or for this year's professor of the year, start contacting us. We will be voting on both during meetings, but you can submit names at any time.
