**Whereas**, the Class Council of 2008 seeks to “promote school spirit and class unity”; and

**Whereas**, the organization's event is open to all University students on a first come first served basis for the first 54 students, and will cost $15 per ticket; and

**Whereas**, the event is being held in order for students to provide school spirit to help the Rutgers team win against Navy; and

**Whereas**, the Class Council of 2008 needs financial assistance in covering the cost of transportation; therefore
